

Twenty-Six and One and Other Stories

By Maksim Gorky

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Russian literature, which for half a century has abounded in happy surprises, has again made manifest its wonderful power of innovation. A tramp, Maxime Gorky, lacking in all systematic training, has suddenly forced his way into its sacred domain, and brought thither the fresh spontaneity of his thoughts and character. Nothing as individual or as new has been produced since the first novels of Tolstoy. His work owes nothing to its predecessors; it stands apart and alone. It, therefore, obtains more than an artistic success, it causes a real revolution.

The best pdf i possibly go through. it was written quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
