

Education and the Heredity Spectre (Classic Reprint)

By Frank Herbert Hayward

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Education and the Heredity Spectre The argument of the following essay is identical with that of a series of lectures delivered at Scarborough during the summer of 1907. In the course of the following autumn and winter an outline of the same was given before several London audiences; and on one occasion the Chairman, a well-known educationist and county councillor, expressed the wish that it should be published. This, accordingly, has been done. The least necessary, and probably the least satisfactory, of the following chapters is the fourth. No great stress need be laid upon it; the questions with which it deals are not likely to be solved for many years to come. Chapters VI. and VIII. are important as dealing with the great educational superstition which passes in secondary schools as philosophy. Those people of practical tendencies who regard theory as incapable of influencing school work are invited to contemplate the influence of this dogma. Chapters I., II., and III. will serve to indicate the important bearing of biological and sociological research upon education....
