FIRED: CHALLENGING THE STATUS QUO AND THE AFTERMATH

CCP Enterprises, LLC, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book, Cristina Carballo-Perelman, M.D., takes the reader along on her personal journey through the trauma of being fired--the reasons for it, the steps to recovery, and her transformation into a new career. Dr. Carballo-Perelman was fired because she stayed true to her ethics and her professional dedication. Many if not most people today lose their jobs for reasons that have nothing to do with poor performance. For this reason, this book is tremendously empowering. Ten years ago, it was the ultimate failure to be fired. In today's work environment, it's not only not the supreme humiliation; it can even be a badge of courage to be fired. It discusses these issues in the context of corporate consciousness--corporate social responsibility within the workplace--and how it affects a company and its employees. Part 2 of the book is a series of essays in which each chapter addresses a particular quality necessary to create a positive work environment for employees and employers alike. Ethics and integrity form the foundation upon which the discussion of these qualities is based. Dr. Carballo-Perelman weaves her own experiences and revelations into this section to provide the reader with a firsthand look at how giving your all in your...
