Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Way of a Man (1907) By Emerson Hough A romantic tale of good verses evil and a fight to the death for a hero bound by his moral code of honor. Excerpt: I admit I kissed her. Perhaps I should not have done so. Perhaps I would not do so again. Had I known what was to come I could not have done so. Nevertheless I did. After all, it was not strange. All things about us conspired to be accessory and incendiary. The air of the Virginia morning was so soft and warm, the honeysuckles along the wall were so languid sweet, the bees and the hollyhocks up to the walk so fat and lazy, the smell of the orchard was so rich, the south wind from the fields was so wanton! Moreover, I was only twenty-six. As it chances, I was this sort of a man: thick in the arm and neck, deep through, just short of six feet tall, and wide as a door, my mother said; strong as one man out of a thousand, my father said. And then - the girl was there.
