THE FACT OF A BODY: A GRIPPING TRUE CRIME MURDER INVESTIGATION (HARDBACK)

Pan MacMillan, United Kingdom, 2017. Hardback. Condition: New. Main Market Ed. Language: English . Brand New Book. One of the best books I've read this year. Just astounding. - Paula Hawkins, author of *The Girl on the Train*. Law student Alexandria Marzano-Lesnevich, working on a retrial for death-row convicted murderer and child molester, Ricky Langley, finds herself thrust into the tangled story of his childhood. As she examines the minute details of Ricky's case, she is forced to face her own history, to unearth long-buried family secrets, and to reckon with how her own past colours her view of his crime. When Alexandria begins a summer job at a law firm in Louisiana, and sees Ricky's face flash on the screen as she reviews old tapes, and hears him speak of his crimes, she is overcome with the feeling of wanting him to die. Shocked by her reaction, she digs deeper and deeper into the case, realizing that despite their vastly different circumstances, something in his story is unsettlingly, uncannily familiar. As enthralling as true-crime classics such as *In Cold Blood* and *Midnight in the Garden of Good and Evil* and broadcast phenomena such as *The Keepers*, *Making a Murderer* and *Serial*, *The Fact of a Body* is a groundbreaking, heart-stopping investigation into how the law is personal, composed of individual stories and proof that arriving at the truth is more complicated, and powerful, than we could ever imagine.
