COLONEL CARTER OF CARTERSVILLE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

The dinner was at the colonel s-an old-fashioned, partly furnished, two-story house nearly a century old which crouches down behind a larger and more modern dwelling fronting on Bedford Place within a stone s throw of the tall clock tower of Jefferson Market. The street entrance to this curious abode is marked by a swinging wooden gate opening into a narrow tunnel which dodges under the front house. It is an uncanny sort of passageway, mouldy and wet from a long-neglected leak overhead, and is lighted at night by a rusty lantern with dingy glass sides. On sunny days this gruesome tunnel frames from the street a delightful picture of a bit of the yard beyond, with the quaint colonial door and its three steps let down in a welcoming way. Its retired location and shabby entrance brought it quite within the colonel s income, and as the rent was not payable in advance, and the landlord patient, he had surrounded himself not only with all the comforts but with many of the luxuries of a more pretentious home. In this he was assisted by his negro servant Chad, -an abbreviation of Nebuchadnezzar, -who was chambermaid, cook, butler, body-servant, and boots, and who by his marvelous tales of the magnificence of de old fambly place in Caartersville had established a credit among the shopkeepers on the avenue which would have been denied a much more solvent customer.
