Colourful Container Gardens: Vibrant Schemes for Pots and Planters

By Stephanie Donaldson

Anness Publishing. Paperback. Book Condition: new. BRAND NEW, Colourful Container Gardens: Vibrant Schemes for Pots and Planters, Stephanie Donaldson, This work introduces you to easy container gardening to add year-round colour to your home and garden, from hanging baskets and windowboxes to terracotta pots and planters. Features of this work include: ideas to decorate containers, from a shell-encrusted windowbox to a verdigris painted bucket; learn the essential techniques for planting, propagating and maintaining your container plants; create a fabulous all-white windowbox, a mini-topiary of ivy and petunias, a basket of sweet-scented lavender and even an edible display; over 40 colour-themed container projects offer displays that burst with fiery reds, oranges and yellows; delight with gentle pinks, purples and blues; or soothe with neutral whites and greens; and, beautiful photographs and simple step-by-step instructions ensure success. This practical project book features an extensive introductory section covering all you need to know about learning to garden with containers: from choosing your pots, and advice on suitable planters, to propagation techniques, and how to deal with pests and plant diseases. Once you've mastered the basics there are then over 40 floral planting projects with step-by-step instructions. Whether you have a large country garden, a...

Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.
