Reviews

The publication is great and fantastic. Sure, it is enjoy, nevertheless an interesting and amazing literature. You will not truly feel monotony at at any moment of your own time (that's what catalogues are for concerning when you request me).

(Fabian Bashirian DDS)

KURSAAL

Huerga y Fierro Editores, S.L., 2000. soft. Book Condition: New. Encuadernación: Rústica Colección: Narrativa Kursaal es un relato apasionante, que atrapa desde las primeras líneas y en el que humor, la ironía, la fidelidad a hechos pasados y el tratamiento del lenguaje ocupan un papel importante. La novela se enmarca tanto en la denominada novela historica, como en la novela negra. Al hilo de una serie de misteriosos asesinatos y en el esplendido marco de San Sebastián de la belle époque, el lector revive la azarosa política española y europea de los primeros años veinte, antesala, también, de la segunda guerra mundial y de la propia guerra civil española. Dos inspectores de policía, un tanto inexpertos, van a ser los encargados de resolver el enigma de las muertes misteriosas, mientras el asesino juega con ellos al gato y el ratóndejando aquí y allá extraños mensajes para los policías. El lector se va a ver enredado igualmente en la tarea de desenmascarar al autor de los crímenes y, además, de la mano de los personajes, recorrerá el San Sebastián de entonces y conocerá la realidad del momento desde diferentes puntos de vista. Nos encontramos, pues, ante un a sugestiva novela de intriga y de indudable interes historico, en la que hay que destacar el lenguaje cuidado, la ironia, el humor y la fuerza el retrato de los personajes y de la propia epoca.
