Obsidian Mysteries, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. It's finally time to say, I do! As long as I can keep my mom out of jail long enough to get her to the ceremony. Someone's Biting Mad. Abby Knight's wedding is in less than two weeks, and everything is going wrong. The cooler in her flower shop is leaking, her neck has swollen to unnatural proportions, her groom is acting distant, and she still doesn't know where she's actually getting married! But things go from bad to worse when the director of her favorite charity, Protecting Animal Rights, is murdered, and Abby's mother becomes the main suspect. Abby's wedding worries will have to wait until she--along with her fiancé, Marco, and an adorable mutt named Seedy--can nose out who wanted the animal activist put to sleep. But they'll have to sort through the long list of suspects quickly, or her mom may be tossed in the slammer before Abby tosses the bouquet.
