

Deer Proofing Your Yard and Garden (Paperback)

By Rhonda Massingham Hart

Storey Books, United States, 2005. Paperback. Condition: New. New edition. Language: English . Brand New Book. Since it was first published in 1997, homeowners, serious gardeners, and professional nursery owners have responded enthusiastically to DEER PROOFING YOUR YARD GARDEN as the deer problem in towns and suburbs has got worse, new solutions have presented themselves. To cope with the situation and keep up with the latest in deer control, Rhonda Hart has revised her original book, adding more than 60 pages of new material on how anyone can protect their land and garden from deer. As in her first edition, Hart takes a straight-forward, just-the-facts approach. She tells home-owners exactly what they want to know, which commercial repellents are effective, how to make homemade deterrents, and how to create a landscape designed to repel deer. Since the first edition was published, virtually invisible polyethylene deer netting is now widely available and almost 100 percent effective in keeping deer out of the garden. Hart has updated her chapter on fencing to include this and other new products. Hart has also refined her plant lists to spot-light those that deer rarely touch, and also to identify those plants that are less likely...
