This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Xulon Press, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you ever wonder what God thinks about you? How does He feel about you? God s House of Mirrors (GHOM) was written so you would know the truth. And the truth is this: He s crazy about you. Scripture after scripture reveals this life-changing reality. Contrary to the lies that Satan wants you to believe, God s not mad at you, He s not disapproving of you, nor does He despise you. In GHOM you will see from God s Word the proper reflection of yourself. The Word will reflect how God thinks about you, what He feels toward you, and the beautiful reflection He sees of you. This book will change your life by freeing you from Satan s inaccurate, deceptive reflection, replacing it with your true image from your Heavenly Father. Jerry is a husband, father, grandfather, and pastor who is on a journey to walk hand in hand with Jesus every day. While learning to live life at the pace of a walk, his greatest desire is to do so in humility, faith, grace and victory while encouraging other believers to join him on this journey.
