An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

RED WHEEL/WEISER, United States, 2013. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. What Do I Do Now? The Secrets of a Midlife Reboot The Real Brass Ring takes The Secret on a high-speed road test in a tale of midlife transformation in the real, flesh-and-blood world of contemporary Chicago. It is the story of a midlife reboot, a raw, unfiltered journey of enlightenment that illustrates a woman's daunting personal reinvention and the rewards of fearlessly pursuing a life's true calling. After a jolting encounter with internationally known psychic and author Sonia Choquette, Dianne Bischoff James is forced to face the truth about her life. Sonia's words cut like a knife: Dianne, you are a talented writer, healer, teacher and performer. But sadly your life is heading down the wrong path. Your brass ring is coming by and you need to grab it before it's too late. You have modeled yourself after your parents' desires. You are completely stuck in the make-believe role of being a good girl. You live with depression because nothing about your life is your own. Fix your ways or soon it will be too late. Dianne had achieved an impressive education, an accomplished entrepreneurial career, a busy family life and social status; yet somehow, she had completely missed the real brass ring. Although she had had a perfectly traditional background, her marriage was a sham, career uninspiring, health failing and self-esteem and spirituality non-existent. At 38, it was as if she had awakened to a nightmare: she had been living a profound lie. Finding herself completely off-track, Dianne openly bares her soul and utilizes the metaphysical principles of The Secret to set out to change every aspect of her existence. She insists that she is worthy of an...
