

The Works of Aurelius Augustine, Vol. 6: Bishop of Hippo (Classic Reprint) (Paperback)

By Marcus Dods

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Works of Aurelius Augustine, Vol. 6: Bishop of Hippo HE importance of the letters of eminent men, as illustrations of their life, character, and times, is too well understood to need remark. The Letters of Cicero and Pliny have given us a more vivid conception of Roman life than the most careful history could have given; the Letters of Erasmus, Luther, and Calvin furnish us with the most trustworthy material for understanding the rapid movement and fierce conflict of their age; when we read the voluminous correspondence of Pope and his compeers, or the unstudied beauties of Cowper's letters of friendship, we seem to be in the company of living men; and modern history has in nothing more distinctly proved its sagacity, than by its diligence in publishing the Letters of Cromwell, of Washington, of Chatham, and of other historical personages. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
