Meanwhile, President Jack Ryan has been swept back into the Oval Office--and his wisdom and courage are needed more desperately than ever. Internal political and economic strife has pushed the leadership of China to the edge of disaster. And those who wish to consolidate their power are using the opportunity to strike at long-desired Taiwan, as well as the Americans who have protected the tiny nation. But with their existence about to be revealed, they might not even have a chance to enter the battle before the world is consumed by war.
