

Captive No More The Jack Savage Trilogy Volume 1

Filesize: 1.72 MB

Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
(Kaya Rippin)

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 328 pages. Dimensions: 8.0in. x 5.2in. x 0.8in. Jack Savage was not raised to be the sort of man that would want to hurt people. In fact, he was raised to be quite the opposite. But when he finally ventured out into the world as an adult, he began to experience just how truly cold and cruel the world could be. What should have been a fairly normal existence as an adult, began to decay into one of a dysfunctional nature. And it all began to unravel for Jack because of a love he never should have pursued, and the career in professional wrestling that he gave up for her. Fast-forward several years and Jack finds himself waking up strapped to a bed on the 7th floor of a secretive institution known only as Effingham. With no memory of how he arrived at Effingham, or why there is a fair amount of blood on his clothes; he struggles to come to grips with the reality that he has been committed to a mental health facility for evaluation. Along the way, Jack is told to begin a journal in which he should record his thoughts. The hope is that his daily entries will at some point jog his memory about the actions that led to his arrival on the secretive 7th floor at Effingham. But before he can recall those horrendous actions, a chance encounter with a young female resident has Jack thrust into an entirely new romance in his heart. In time, Jack's memories slowly start to return to him. But as the memories are slow to return, his heart is quick to be given away to the distraught beauty whom he shares a perpetual emotional suffering with....
