

The Silent Butterfly (Paperback)

By MR Roger Stuart Smith

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. London: January 1958. During the past two and a half years a serial killer has been roaming the streets of London torturing his victims by slicing off their left ear before ritually disembowelling them. Detective Inspector Neil Goddard, a lonely man who has never really got over the death of his fiancée in 1951 and assigned to catch the murderer is woken early one morning to be told that another body has been found but to his surprise learns that it is actually the killer himself. Identification is soon established but investigations into what turned the man into such a callous monster and to who had killed him leads Goddard back to old haunts and revives memories of events that happened during the early years of the Second World War. The situation is further complicated when a telephone call is received which states that the revenge killing was a way of repaying a debt owed to him - and evidence points to the debt referring to one specific event seventeen years earlier. Recognising that what had happened during a...

Reviews

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.
