Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

VENTURE FINANCE: THE ESSENTIAL GROWTH GUIDE FOR STARTUPS AND SMALL BUSINESSES. (PAPERBACK)

Chairseven, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If an investor or lender requested your financial plan, would it close the deal or be seen as unrealistic? In a digital age where all you need is a website to establish a business, it's easy to leap before you look. However, entrepreneurs must make compelling predictions about the future in a way that attracts others to their business. Finance can provide the analytical tools to make those projections and define their expected outcomes. In *Venture Finance*, business finance expert Art Hill helps entrepreneurs understand the foundational principles of corporate finance and how to navigate the often difficult fundraising landscape. Topics include: - Defining your organization's strategic goals - Understanding company life cycles and scalability - Cash flow, budgeting and financial management - Valuations, funding trends and sources - Knowing what investors want - Due diligence and building a financial roadmap.
