A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Amazon UK Bestseller Number 1 in Cycling and Top 3 in Travel and in Sport After a near fatal brain haemorrhage Steven Primrose-Smith decides that life is too short to hang around. Inspired, he jumps on his bicycle to travel a road that stretches 22,000 miles across the whole of Europe. During his ride through 53 countries, climbing the equivalent of 20 Everests, he dodges forest fires, packs of wild dogs and stray bulls, is twice mistaken for a tramp, meets a man in Bulgaria who lives under a table, discovers if ambassadors really do dish out pyramids of Ferrero Rocher at parties, transforms into a superhero after being savaged by radioactive mosquitoes near Chernobyl and comes close to death in France, Norway, Ukraine and Russia. Such a massive challenge requires calories and Steven gets his from the more unsavoury elements of European savouries: brains, testicles, lung and spleen stew, intestine sandwiches, sausages famous for smelling of poo, a handful of maggots and even a marmot. Nobody eats marmots. But the distance and his culinary adventures are only a part of the mission. His real objective is much more difficult. Will he be able to confirm something he has long suspected or will he, after all his searching, eventually find somewhere in Europe worse than his home town of Blackburn? Recent Amazon review comments: If you love travel, you will love this book! This is by far the best cycle-based travel book I have read. I could not put it down! It s very well-written, naturally funny without trying too hard and. about the places and people he discovers, not the bike itself. Inspirational and very funny. Highly entertaining - you ll laugh out...
