Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Printer s Errors After his desperate deed at the office, Mr. Wolverhampton called a car, dashed across town to Harcourt Street Station, took a first-class ticket to Foxhill, and hurled himself into the train a second before it began to move. The other occupants of the carriage greeted his entry with glances of scornful hostility, as is the way of railway travellers, and then resumed the perusal of their papers or the landscape. There were three of them - two men and a girl - and they had each occupied a corner of the carriage. Mr. Wolverhampton appropriated the fourth, and sat down heavily, mopping his brow. These fellow-travellers of his could have had no conception of the enormity of the deed just perpetrated by Mr. Wolverhampton, or they might not have glanced at him so casually. In appearance, at any rate, he was not likely to attract much attention, for he looked exactly what he was - a successful middle-aged business man. He was slim for his age, about the average height, with mild blue eyes, a square good-humoured face, and a good thatch of light brown hair, under which commonplace exterior his heart beat high and his mind soared exultant. And Mr. Wolverhampton was saying over and over again, all unknown to the three cold strangers in their corners: I ve done it! I ve done it! I ve done it! What had Mr. Wolverhampton done? Briefly, he had revolted; but to understand why and against what he had revolted, and how he had carried his revolt into effect the reader must be told some of Mr. Wolverhampton s history.
