Veronica Jinkowsky makes an abrupt visit to the Long Beach Island, New Jersey home of her estranged grandfather, when he gives her his famous treasure hunting company without her permission. But he manipulates her into helping him search for the Pink Diamonds, a stash of priceless pink diamonds that went down in a boat off the New Jersey shore fifty years before. Unknown to Veronica her grandfather's true agenda is to play cupid and get her and her four-times ex-husband Jake, also an investor in Jinx, Inc. to settle down and stay settled once and for all. As Veronica and Jake search for the jewels with the rest of the Jinx team, smouldering fires are re-ignited, but will there be a fifth time for the two of them and will this time really be the charm?.
