SKETCHBOOK: CHERRYBEAN COFFEE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There is something very special about a neighborhood coffee shop. It is a place that can fortify us for what the day will bring. It can be a sanctuary, a home away from home. Often it is a place to meet-up, conference. For some of us it is also a place to observe, enjoy and speculate on all this diverse and interesting interaction. Join my adventure by making this book your own. Why settle for a computer created coloring book when you can add life to images created as a celebration of human richness? Families could find this book as a source for good conversation. How we all interact with each other is not only interesting, discussing this could be educational. Not only is this book designed to be fun as a coloring book, it is also laid out in a journal format. By leaving you a blank page with each drawing, the idea is you can add your own thoughts, ideas and images....
