Women undress me with their eyes and fantasize about an evening with me in Club Irons. Those who get their chance rave about our time. I m self-sufficient, and I don t need or want a permanent woman in my life. I like my sex kinky, hard and a touch on the rough side. And I don t mix sex with emotions. I m unable to give a woman anything but an evening of pleasure, and I m not looking for anything complicated. I just want fun sex with no ropes attached.unless I m the one applying the rope. At one time I thought I was destined for a life of loneliness, chased by the demons of my past. Things have changed. I have a few exceptional friends who have become my family and are everything to me. Sure, I have my share of regrets, but I don t like talking or sharing much from my life. There are parts of my past that I may never reveal to anyone. Ever.
