Partridge Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Verses of Life is a compilation of motivational verses written in very simple language with the purpose of touching the lives of the masses. Life has undergone a major change. People today only live for themselves. And this has given rise to self-ego resulting in selfishness, wherein people only care about themselves. Simplicity and sharing have taken a backseat. This results in unhappiness and stress. Through the inspirational verses, which have been written in rhymes, the book gives an insight to life and how this world and our lives could be much better than what we are living today. It is an inspirational book which would help the readers to introspect on their own lives. It would help to open up the reader's mind and would thus give them an insight to leading a healthy and happy life. It also touches upon issues such as terrorism, adoption, faith, and has a spiritual touch in it. There are also verses that are real-life stories that would further inspire the reader and make the reading interesting and enjoyable.
