Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I, in fact, changed my way of thinking.

Brand New Book ***** Print on Demand *****.Excerpt from The Edinburgh University Library: An Account of Its Origin With a Description of Its Rarer Books and Manuscripts The present contribution to literature has been drawn up, not only as a memento of regard and love for the University Library, where the author has spent nearly thirty years of the best of his life, but also he might say - mihi cura futuri. The work answers in some measure the innumerable queries which come from many quarters as to what the rarer treasures of the Library are. While it may be true that it only gives, in many respects, a brief glimpse of the Library and its rarities, it garners together a few not altogether uninteresting facts which might have been lost sight of altogether. I am indebted to Messrs Longmans Co. and Messrs Macmillan Co., London, for permission to use certain facsimiles - noted in the List of Illustrations; to Messrs J. MacLehose Sons, Glasgow, for their courtesy in making a special block, as noted; and to Mr William Saimders, author of Ancient Handwritings, for the loan of the block of King James's Charter - the original being in the possession of the Edinburgh Town Council.
