Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book deals with the prevailing winds of change set to bring havoc to America, and how you can be best prepared. Author, Pastor, and Martial Artist, Phil Lewis writes on why we got here as a nation, and what spiritual, social, economic, and physical changes you can make to fight fire with fire, and ready yourself and your family for extreme hardships to come. He explains the spiritual, moral decay, the ensuing judgment, and the way of escape in Christ. But he also deals with the practical issues of being strong and protected in a crumbling social and economic world, planning ahead, wise investment, change of habits, and necessary physical changes needed to accomplish these things. Included is an analogy of military strategy for self defense as well as a call and the instructions for men to become the shepherd warriors they were meant to be. Professor Lewis, as his students call him, adds a handy summary after each chapter, allowing for easy recall of the main points, and a list of resources at the end of the book. Whether a leader of the home, church, business, or community, or simply a concerned citizen of the U.S.A., this is a must-read and eye-opener for all.
