

Does God Exist?: Yes, Here Is the Evidence (Paperback)

Filesize: 8.14 MB

Reviews

An exceptional ebook along with the typeface applied was intriguing to read. It is definitely simplistic but unexpected situations within the fifty percent of the publication. You are going to like just how the writer publish this pdf.

(Adeline O'Kon)

DOES GOD EXIST?: YES, HERE IS THE EVIDENCE (PAPERBACK)

iUniverse, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Does God Exist? Yes, Here Is the Evidence considers one of life s most enduring questions. To find an answer, Hendrick Park follows a trail of evidence that uncovers arguments for the existence of God in the characteristics of the natural world, in the moral and religious experiences of people s lives, and in the knowledge contained in divine revelation. Presented in three parts corresponding to the types of evidence, this exploration draws upon the work of a variety of scientists, philosophers, and theologians. In addition, narratives of Park s personal encounters with the actions of God in his own life provide illustrations that amplify the conclusions expressed by authorities in the various fields of thought. If you believe in God, but wonder about the reasons for faith that reside in the natural world, human experience, and divine revelation, then Does God Exist? Yes, Here Is the Evidence will help to strengthen the foundations of your faith. By asking this one big question-does God exist-you may find yourself asking and then seeking answers to other deep questions about your ultimate destiny with God. Does God Exist? Yes, Here Is the Evidence will serve as your guide along the way.
