Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Electric Bliss Publishing, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The ultimate adventure awaits you in these pages. Go on a magical journey and learn the mysteries of meditation as you join me as a young woman in the search for the spiritual Path. The experiences that occurred during my early twenties changed my life. I've written this account for you and for me, so the teachings would not be forgotten. Based on real events, the basics of the Path and everything you need to begin your own journey to Enlightenment are tucked within this story. Discover for yourself the power and light available right now. Life is magic. I always suspected this, but never really dared to fully believe it. My cynical nature had been well nurtured by the drunken ramblings of barstool philosophers at the local pool hall. In a word, I was a skeptic. While in college, I thought the transmission of light written about by every Buddhist sect was just a metaphor. Then Rama showed me the Truth. Everyone has a story, but does it entail an Enlightened teacher? Worlds of Power, Worlds of Light opens you up to that dimensional plane. It shares personal accounts of the energy, magic, and occult power of an unseen world that exists beyond our illusion of reality. If anyone feels drawn to mysticism, Buddhism, and self-development then this is a Must Read! Hui Tai COVER PHOTO BY SHUMON SAITO Jenna Sundell is a Buddhist monk who has taught meditation since 1994. She currently teaches Practical American Buddhism at Dharma Center in San Diego (as well in other cities across the country. You can learn more at: or find her on and Twitter.
