Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Milo in a Mess, Emma Damon, Did you know all polar bears are left-handed? Well it's true! Milo is different from his bear-friends, but he doesn't know why. He can't kick a football in a straight line, draw a picture, or even put his red wellies on the right paws. So when his teacher announces a competition to make an animal out of ice, Milo thinks this might be the chance to find something he's good at. And when he has an accident and injures his left paw, a remarkable thing happens as he starts to carve an icebird with his right. But with Bully Bear out to win at all costs, things don't go entirely to plan.
