By Toly K

Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Galaxy Nexus is a flagship phone, being the first to run Android Ice Cream Sandwich. As a result, the Galaxy Nexus is packed full of new features never before seen on any Android phone, such as virtual buttons, faster application management, new Web browser with 16 available tabs, and even the ability to unlock your phone using your face. This guide will introduce you to these new features and show you how to use them. This book gives task-based instructions without using any technical jargon. Learning which buttons perform which functions is useless unless you know how it will help you in your everyday use of the Galaxy Nexus. Therefore, this guide will teach you how to perform the most common tasks. Instead of presenting arbitrary instructions in lengthy paragraphs, this book gives unambiguous, simple step-by-step procedures. Additionally, detailed screenshots help you to confirm that you are on the right track. This Survival Guide also goes above and beyond to explain secret Tips and Tricks to help you accomplish your day-to-day tasks much faster. If you get stuck, just refer to...
