Dix, to the Honorable the General Assembly in Behalf of the Insane of Maryland: February 25th, 1852 Your memorialist presents the claims of that portion of a large, and fast increasing class for which appropriate care and protection are not now secured: she asks of Maryland, what has not yet been provided - a State Hospital which shall supply full remedial treatment for the Insane. This question, with ever strengthening and uncompromising force, acquires, day by day, and year by year, weight and urgency, and now presents a phase so strongly defined that no eye can be blind to the significance of the sign it exhibits, and no sound mind or humane heart, can be at fault in determining the course which a just legislation must pursue, consulting alike the rights and the necessities of individuals, and guarding the financial interests of the State.
