

## Oscar Lucy (Paperback)

By Alan Kennedy

Lasserrade Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Oscar was one of those people cursed to live in interesting times; indeed, times interesting enough for a dozen normal lives. He was the architect of extraordinary - even heroic - deeds, yet they are completely forgotten now. He must be counted along with people who shaped the history of the 20th Century. Someone who played a key role in the allied victory in WWII, but is now completely unknown. A psychologist who worked with giants, someone who made crucial discoveries yet came to distrust the discipline and finally disown it. The history of Oscar s move from brilliant physics graduate to disillusioned professor perfectly illustrates fault lines in the infant discipline of psychology: problems that have remained unsolved for a century.
