iUniverse. Paperback. Condition: New. 324 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Lance Lees plays explore the moral dilemmas we face creating lives of coherence and value today with a poetic intensity that transforms theatrical practice. In Times Up a man and a woman treat the audience as their marriage counselors as they face the world nakedly. The last fox turns the tables on a sex queen huntress and her slavish hound to survive as an individual in Fox, Hound, and Huntress. A thinker commits suicide in Gambits, while a veteran fire fighter confronts the same millennial emptiness saving anything that comes his way, including the mans young wife from a murder charge. Rasputin is a Socratic demi-urge whose drive for self realization destroys Russia and opens the door to the greatest modern disaster, in Rasputin. Some of these started at the Eugene O'Neill Memorial Theatre National Playwrights Conference or through support from the Rockefeller Foundation through the Office for Advanced Drama Research: both Fox, Hound and Huntress and Times Up are included here from earlier publications. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
