SIZE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This tiny book takes on the huge topic of size, or more precisely, length. There is more to this topic than you might expect. Quantum mechanics shows how things become fuzzy as they get smaller, removing the sharp edges that are needed to measure length. More importantly, it becomes difficult to know when one objects ends and the other begins, making...
