Reviews

This book might be well worth a study, and much better than other. Indeed, it can be perform, continue to an amazing and interesting literature. I realized this publication from my i and dad suggested this book to find out.
(Dejuan Rippin)

CONCEIVING KINSHIP: ASSISTED CONCEPTION, PROCREATION AND FAMILY IN SOUTHERN EUROPE (PAPERBACK)

Berghahn Books, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. Conceiving Kinship is an in-depth journey, the first of its kind, into how heterosexual, lesbian and gay couples using programmes of gamete donation conceptualize and make Italian kinship. It explores the provision of treatment in clinical and non-clinical settings at a time when Italy was considered the Wild-West of assisted conception. This compelling study provides a new perspective on hotly debated issues in kinship studies and the modern medical technologies; it offers fresh insights into longstanding questions of cultural continuities and discontinuities in European kinship.
