Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Antiquarian Jottings Relating to Bromley, Hayes, Keston, and West Wickham, in Kent The name Bromley, anciently written, in English, Bromleag and Bromleah, and, in Latin, Bromlega, appears to have originated from the common broom, which formerly grew here in great abundance. The name therefore signifies a field or pasture where broom grows. Bromley Parish is bounded by no less than eight others. It contains about three thousand acres of land, of which three hundred and fifty were coppice wood, and two hundred and fifty waste land, in i 798. Formerly there was much more woodland, nearly a third of the parish having been so occupied about the middle of the seventeenth century. Of Bromley in prehistoric times not many traces remain, but a few neolithic implements have been found there from time to time. Mr Cecil Brent, F.S.A., has found, in Sundridge Park, a well-made flint celt, 3 inches in length, of neolithic date, which has been first neatly shaped by chipping, and afterwards finished by grinding. The same gentleman possesses a British urn of red clay, which was found in Elmfield Road. A few coins have been found in Bromley, but they have been pronounced to be of doubtful authenticity. One, a silver denarius of Antoninus Pius, which was found near Bromley Cemetery, did not appear to have been long buried. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
