## TWO FRIENDLY WITCHES: UNEXPECTED VISITORS

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Grandpa just loves being asked by his grandchildren to tell them a story. This time he tells a tale about two boys who had their day turned upside down when they accidentally ventured past the home of two witches. As the story progresses it becomes clear that beauty is something that is in the eye of the beholder and that in the end, what is important is not how we look, but how we treat others. The key message of this book is that the way we conduct ourselves is what determines whether we are considered beautiful or ugly by others. The events that take place are also quite funny. The food that Leyton is given to eat will have you licking your lips and rushing to the kitchen to prepare a similar meal. The drink, that he is given is one to die for. This book is suitable to be read to children, not quite of reading age and to be read by young children, including older children aged up to 99 years and beyond. Michael De Leo (grandpa).
