Euryale looked out from her castle, situated in the desolate and secluded land that she had chosen as her place of sanctuary, brought there by the beautiful white winged stallion called Pegasus, having journeyed through many continents to get where she now was. I knew I would finally be safe and this was to be my home for the rest of eternity. From the pen of Susan R. Murphy comes a collection of truly terrifying tales: a blend of ancient Greek mythology, American Gothic horror, UFO abductions, Halloween scares and campfire tales. The characters who feature in these tales are beings cursed by fate. Life and death holds no distinction for them. They wander the world, crossing continents and even galaxies, in search of sport, prey and sometimes sanctuary. For the immortals, there can be no respite and no final resting place: they are prisoners of this world, a world which they cannot leave. Some become the hunters, others become the hunted. They have the strength to witness, to endure and to casually inflict tragic and inhuman...

### Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).*
