Book Description: Set apart from other eighteen-year-olds, Ana Hughes knows she is different. A life threatening heart condition smothers her future and she yearns to feel normal. Her hopes are pinned on a fresh start in a remote town far from her native Colorado. Among the locker filled hallways in Clark Bend High, Ana keeps to the shadows, not wanting to draw attention to her violet tinged lips and wilted silhouette. And she almost succeeds, until she meets Chance Morgan. Struggling to keep up appearances, she soon suspects Chance is hiding something as well. His animal-like senses, miraculous healing ability and peculiar reaction to her Thunderbird necklace compels Ana to question if there's more to the stories about his Navajo ancestry. Without any other explanation, she fears he is playing tricks on her. But the truth may prove too much for Ana's delicate heart. . . A special code is provided at the back of the book, for the lost chapter from Fledgling. Be sure to check it out.
