Reviews

Very useful to all of group of folks. I could possibly comprehended every little thing using this created e book. You wont truly feel monotony at anytime of your time (that's what catalogs are for concerning in the event you ask me).
(Claire Carroll DVM)

CHICK LIT: THE NEW WOMAN S FICTION

Taylor Francis Ltd, United Kingdom, 2006. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. From the bestselling Bridget Jones s Diary that started the trend to the television sensation Sex and the City that captured it on screen, chick lit has become a major pop culture phenomenon. Banking on female audiences identification with single, urban characters who struggle with the same life challenges, publishers have earned millions and even created separate imprints dedicated to the genre. Not surprisingly, some highbrow critics have dismissed chick lit as trashy fiction, but fans have argued that it is as empowering as it is entertaining. This is the first volume of its kind to examine the chick lit phenomenon from a variety of angles, accounting for both its popularity and the intense reactions-positive and negative-it has provoked. The contributors explore the characteristics that cause readers to attach the moniker chick to a particular book and what, if anything, distinguishes the category of chick lit from the works of Jane Austen on one end and Harlequin romance novels on the other. They critique the genre from a range of critical perspectives, considering its conflicted relationship with feminism and postfeminism, heterosexual romance, body image, and consumerism. The fourteen original essays gathered here also explore such trends and subgenres as Sistah Lit, Mommy Lit, and Chick Lit Jr., as well as regional variations. As the first book to consider the genre seriously, Chick Lit offers real insight into a new generation of women s fiction.
