The Greatest Story Ever Told--So Far: Why Are We Here?

By Lawrence M Krauss

BRILLIANCE AUDIO, 2018. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Internationally renowned, award-winning theoretical physicist, New York Times bestselling author of *A Universe from Nothing*, and passionate advocate for reason, Lawrence Krauss tells the dramatic story of the discovery of the hidden world of reality--a grand poetic vision of nature--and how we find our place within it. In the beginning there was light. But more than this, there was gravity. After that, all hell broke loose. In *A Universe from Nothing*, Krauss revealed how our entire universe could arise from nothing. Now, he reveals what that something--reality--is. And, reality is not what we think or sense--it's weird, wild, and counterintuitive; it's hidden beneath everyday experience; and its inner workings seem even stranger than the idea that something can come from nothing. In a landmark, unprecedented work of scientific history, Krauss leads us to the furthest reaches of space and time, to scales so small they are invisible to microscopes, to the birth and rebirth of light, and into the natural forces that govern our existence. His unique blend of rigorous research and engaging storytelling invites us into the lives and minds of the remarkable, creative scientists...
