Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Mrs. Josiane Collins)

LETTERS, ESSAYS, AND BIOGRAPHICAL SKETCHES (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 448 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. Excerpt from Letters, Essays, and Biographical Sketches A very large part of the articles contained in this volume were first printed in the Courier and Freeman newspaper at Potsdam, New York, at divers times during the past thirty years. As will be observed, some are written in the first person, others in the second person plural, while others are in the third person. I may be wrong, but after some reflection, I do not think it best to now change them in this respect from the form in which they were first written. If my readers will keep in mind the fact that they were written here in the village of Potsdam, about it and its people and affairs, some appearing as editorials and others as communications, I feel sure no trouble will arise from this inconsistency. Scattered through many of the articles are items of a historical nature which, through lapse of time, are already becoming of interest. To preserve these for the future, mingled with the hope that the volume may afford pleasure to a few and be of interest to others, has induced, and is my only excuse for its publication. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
