The love affair between beautiful food photographer Catherine Kelly and billionaire gourmand William Lambourne is now a full-course meal. Cat and William have had the right recipe for mind-blowing passion from the very start, and now their whirlwind romance has gotten serious. They re practically living together, and sharing William s luxury Chicago penthouse is even more delicious than Cat could ever have imagined. But life in William s mansion in the sky quickly becomes complicated. Demons from his past are back, and they want to harm what s most precious to him: Cat. He ll do anything in his power to protect the woman he loves, even hiring an elite security team. Cat loves that William wants to keep her safe, but she s not used to being a target--or being so dependent. And then there s her new boss, Hutch Morrison, the ex-rock star turned world-renowned chef who stirs up another kind of trouble. Cat and William may be a perfect pairing, but when dangerous forces threaten to tear them apart, it will take more than just their undeniable chemistry--and their insatiable appetites--to survive it.
