Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Report From the Front Lines: The Drug War in Hollywood: Hearing Before the Subcommittee on National Security, International Affairs, and Criminal Justice of the Committee on Government Reform and Oversight House of Representatives, One Hundred Fourth Congress, Second Session, September 21, 1996 A few facts illuminate the deadly nature of the problem. Almost 11 percent of our youth ages 12 to 17 used drugs on a monthly basis last year. The number of eighth graders using drugs has doubled since 1991. Only 51 percent of teens say they will never use drugs. I could continue on with all sorts of other statistics. I think many in this room know them very well. I think we have the picture that this is a dangerous situation that we need to do our best throughout America, large cities, small towns, rural America as well, but particularly in urban America, where it seems to be one of the great plagues of our time in this century.
