Canut Int. Publishers Feb 2011, 2011. Taschenbuch. Condition: Neu. Neuware - This book is a reference book for students learning Mao Zedong Thought in universities and colleges in China and for theoreticians and researchers studying it in Party schools, theoretical publicity bodies and academic research institutes from Mainland China. It offers an objective, equitable, and comprehensive introduction and assessments on the past and latest achievements in the study of Mao Zedong Thought in China and foreign countries and on the controversial issues in the study. When deciding on the English edition of this book, we have aimed to deliver the global reader a complete picture on how Mao Zedong and Mao Zedong's ideology is evaluated and studied in today's China. It is a representative book of its kind and also reflects how the mainland Chinese scholars have evaluated foreign studies on Mao Zedong. Thus we hope the book will encourage more exchanges on Mao Zedong studies worldwide. The book also offers a comprehensive and systematic study material and factual information for those interested in the history of Marxism in China. The book was written by a team work of young and middle-aged scholars teaching and studying Mao Zedong Thought and the history of the Communist Party of China at the Department of History of the Communist Party of China in Renmin University of China, have contributed to it. Mao Zedong one of the most charismatic Marxist political leaders of the world, has affected the path of China, region and the world. As a large country with an unimaginable population China had been an important object of world politics, then it became a subject acting for itself this was mainly initiated by two persons and two parties, Sun-Yat-Sen and KMT; Mao and CPC. But, Sun-Yat-Sen was an unfortunate man, he could...
