Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, Help Me Mum, Flora Macdonald Dempster, A Real Life Court Room Transatlantic Drama. A desperate bid by a young mother to win custody of her child. From London to Texas to Edinburgh, Scottish lass Morag Dodds battles against the authorities as she fights her wealthy ex-partner and his parents in a foreign country for the normal right to care for and bring up her daughter. Morag experiences both kindness and cold-heartedness from friends and family and the authorities, and even a prison sentence for kidnapping her own daughter. But Morag does not give up and despite all the setbacks she continues to fight until there is no fight left. When social workers become involved, they fail to recognise how the strain of such an emotional assault could have affected Morag. Are they responsible for the straw that finally broke Morag? This is a very personal true story of a woman whose whole family should have surrounded each other with love and support, and failed.
