

Strange Fits of Passion: Epistemologies of Emotion, Hume to Austen (Paperback)

Filesize: 1.75 MB

Reviews

This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.

Stanford University Press, United States, 1999. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book contends that when late eighteenth- and early nineteenth-century writers sought to explain the origins of emotions, they often discovered that their feelings may not really have been their own. It explores the paradoxes of representing feelings in philosophy, aesthetic theory, gender ideology, literature, and popular sentimentality, and it argues that this period's obsession with sentimental, wayward emotion was inseparable from the dilemmas resulting from attempts to locate the origins of feelings in experience. The book shows how these epistemological dilemmas became gendered by studying a series of extravagantly affective scenes: Hume's extraordinary confession of his own melancholy in the *Treatise of Human Nature*; Charlotte Smith's insistence that she really feels the gloomy feelings portrayed in her *Elegiac Sonnets*; Wordsworth's witnessing of a woman poet reading and weeping; tearful exchanges between fathers and daughters in the gothic novel; the climactic debate over the strengths of men's and women's feelings in Jane Austen's *Persuasion*; and the poetic and public mourning of a dead princess in 1817.
