## NANCY DREW AND THE HARDY BOYS: THE BIG LIE (PAPERBACK)

[DOWNLOAD](#)

Dynamite Entertainment, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. A Nancy Drew and Hardy Boys mystery unlike any other you ve ever read! When the teenage brothers Frank and Joe Hardy are accused of the murder of their father - a detective in the small resort town of Bayport - they must team up with Nancy Drew to prove their innocence (and find the real guilty party in the process) in a twisting noir tale, complete with double-crosses, deceit, and dames. Writer Anthony Del Col (Assassin s Creed, Kill Shakespeare) and artist Werther Dell Edera (Batman: Detective Comics, House of Mystery) bring the iconic teen detectives into the modern age, and redefine noir for a new generation of readers! Reviews: There s murder. There s mystery. There s danger. Most of all, there s abundant joy in the reading. - BiffBamPop Mystery fans, fans of the original series, and fans of Hope Larson and Brittney Williams Goldie Vance will likely enjoy Nancy Drew and The Hardy Boys for its vintage charm, amped-up drama, and superb art. - Graphic Policy This might be the best ` modern approach to updating a franchise like this that I ve seen. It works on every level and still fully embraces the heart of who they are. - Anthony Del Col s script is devious, pushing the plot surreptitiously while peeling back layer after layer of characterization. An enormously pleasant surprise. - CBR.
