The University of Alabama Press, United States, 2003. Hardback. Book Condition: New. New.. 240 x 153 mm. Language: English . Brand New Book. Seen together, these public heritage displays reveal a rich creole of cultures that have always been a part of southern life and that continue to affirm a flourishing regionalism. This book will be valuable to students and scholars of cultural anthropology, American studies, and southern history; academic and public libraries; and general readers interested in...
