

Localist Movements in a Global Economy: Sustainability, Justice, and Urban Development in the United States (Hardback)

By Professor David J Hess

MIT Press Ltd, United States, 2009. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. The internationalization of economies and other changes that accompany globalization have brought about a paradoxical reemergence of the local. A significant but largely unstudied aspect of new local-global relationships is the growth of localist movements, efforts to reclaim economic and political sovereignty for metropolitan and other subnational regions. In Localist Movements in a Global Economy, David Hess offers an overview of localism in the United States and assesses its potential to address pressing global problems of social justice and environmental sustainability. Since the 1990s, more than 100 local business organizations have formed in the United States, and there are growing efforts to build local ownership in the retail, food, energy, transportation, and media industries. In this first social science study of localism, Hess adopts an interdisciplinary approach that combines theoretical reflection, empirical research, and policy analysis. His perspective is not that of the uncritical localist advocate; he draws on his new empirical research to assess the extent to which localist policies can address sustainability and justice issues. After a theoretical discussion of sustainability, the global corporate economy, and economic development,...

Reviews

Absolutely among the best publication I have got at any time go through. It really is writter in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.

-- **Mrs. Velda Tremblay**

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
