

Production Prospects for Wheat, Feed, and Livestock, 1960-65 (Classic Reprint) (Paperback)

By Raymond P Christensen

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Production Prospects for Wheat, Feed, and Livestock, 1960-65 In recent years, agricultural production has continued to exceed use outlets for farm products, despite production restrictions and Special disposal programs. The rate of increase in farm output was greatly accelerated during the World War 11 years, and the pace has continued in the 1950 s. Higher production per acre and per animal resulting from adoption of improved technology and management is the chief source of output expansion.
